

CLASS OF
2025

NOORDA-COM
MATCH REPORT

NOORDA COLLEGE
of OSTEOPATHIC MEDICINE

MESSAGE FROM THE DEAN

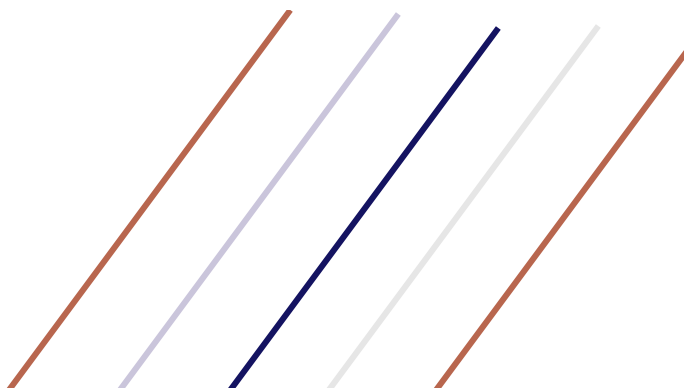

We are pleased to present this report on the 2025 residency placements for Noorda College of Osteopathic Medicine's inaugural class.

In our first year participating in the National Resident Match Program, we achieved a 92% initial match rate and an overall placement rate of 99%, with one student accepting a one-year research fellowship in Pediatric Ophthalmology. These results place us at or above the national average for the National Resident Match Program.

These outcomes are a testament to the dedication and resilience of our pioneering students, who embraced the opportunity to train at a new medical school with an innovative approach to medical education. Their success not only reflects the strength of our academic model but, more importantly, underscores their perseverance and commitment to excellence.

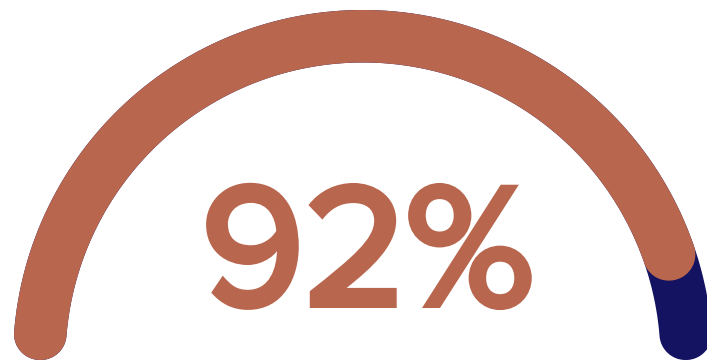

As you review this report, we hope you recognize the far-reaching impact our students will have on the future of medicine—both across the country and here in Utah.

Theresa De B.O.

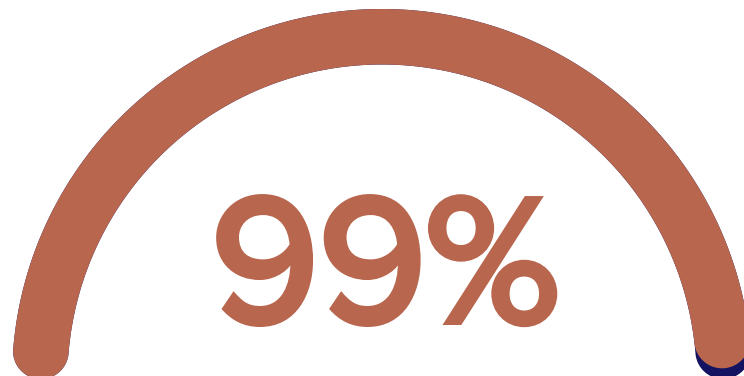

OVERVIEW

Match Rate

92% of Noorda-COM Class of 2025 Applicants received a match on March 17, 2025

Placement Rate

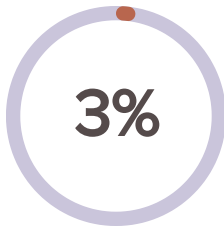

*99% of Noorda-COM Class of 2025 applicants were placed in a residency program by March 21, 2025. One student accepted a one-year research fellowship in Pediatric Ophthalmology.

SPECIALTIES

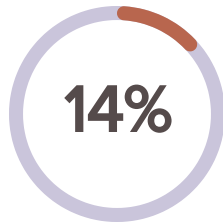

Specialty	Number of Matches
Diagnostic Radiology	2
Emergency Medicine	10
Family Medicine	20
Internal Medicine	14
Neurology	3
Obstetrics and Gynecology	4
Otolaryngology	1
Pediatrics	4
Physical Medicine & Rehabilitation	1
